This year is my second year in the United States and my first at Wilbraham & Monson. I enjoy to study here, clean campus, good courses. Especially A.P. Physics. It is a very challenging subject. It needs a lot of thinking. Anyway I enjoyed being a Wilbraham student and hope everybody else also enjoyed it.

Oh, Quiet Down! It was 100 miles. I wish I could blow off after school sports like Warburton. And why did the pilgrims land in America . . . Ya after four years I'm finally out. "No more teacher's menacing looks" (Mr. Casey). Ha Mr. Colgate, they really do sell shirts at Fentons.

This year's been "Kool" and so have the kids, but I really don't think I'll miss it. I'm sad I'm going, but really want to go.

Walking down the "Happy Trails" of Wilby Vill, are things I'll never forget. They'll always bring a smile to my face.

Shingo, why do you talk so freaky fast? I never know what you're talking about. Ha Dave have fun with Dan and Motto in the woods next year. I really don't say about Erik's "banana" the mean van.

I really don't know what to say. I really don't know the real "Wilby Vill". So good bye ya all. I hope Chuckles the Clown keeps kicking his head to make us laugh. So now Fish says good-bye.

OK ya all theres a new sheriff in town. / He stands 5 foot 10 and his skin is brown. / Some bow down to him and say your majesty / But he'd prefer it if you would call him DT. / He came late summer, early fall / walking in, knowing nobody at all. / But that all soon changed, cause within a few days / he met some friends that he'd remember always. / He didn't talk that much to girls, didn't through any / cause sitting at home was his girl Dana-Lee. / But there were a few girls he talked to and did spoil / like Kara Cylin and of course Weezie Doyle. / He didn't mind it too much at his new school / most teachers were good and the kids were cool. / His roommate was great, funny and stable / could party up a storm and put you under a table. / Well this is it, guys we've acquired the knowledge / were all out of here and its on to college. / So goodbye Rob, Sherm and Quin / D don't worry Q you're going to Frin. / And this is all, we've learned the golden rule / ya all hang loose and ya all stay cool. Thanks Mom, love Dave

The band is just fantastic, that is realy what I think. Oh by the way which one's pink? Immersed in a warm atmosphere of ethereal unconsciousness, with actions of spontaneity replacing any need for thought, you are being whirled about aimlessly by a vortex of undefinable depth, that without rhyme or reason dictates all you do and all you are. Everything is moving, but there is no explanation: for there is no way to explain. It is impossible to alter your movment or fate in even the slightest way unless ... Currently you are at the apex of your sweeping curve, speeding through an infinite series of points in events. Each point is a minute entity in time and may never be repeated; despite attempts at assimilation- time is fleeting. Calmly you float in suspended animation or desperately you struggle against the unchangeable. Soon you will begin your descent, in the end spiralling down to a hole in the ground. Eternal Darkness will be your friend, though it offers no comfort. And if I show you my dark side, would you still hold me in the same light? It all makes me wonder.

# FOOTBALL

The WMA Varsity Football team had a very successful season, posting a 5-3-0 record. The team opened the season with a gripping come-from behind victory over Exeter. Co-captains Jim Koske and John O'Connor were standouts all season. Koske had eight touchdown passes and O'Connor ran for over 500 yards and scoring six touchdowns. Quarterback Sean Nelen threw for 11 touchdowns and over 600 yards. "Munchkin" Rubin was an admirable offensive guard and made 6 key interceptions. A strong congratulations to all the backup guys who supported the team and kept it functioning all season. A special thanks goes to Jack Shea, our manager. With his assistance, Coaches Cardone, Colgate, Parrish, and Rizzo would have been lost.

# SOCCER

The 1985 season saw a talented but inexperienced team play good soccer but record few victories. Six returning seniors led a new team comprised of former J.V. players and many new students. After an opening 4-0 win over Cushing, the "kickers" suffered four consecutive one goal defeats, among them a 3-2 setback to eventual champion Suffield.

Team highlights included a late-game win over Northfield and a 2-2 tie with highly ranked Deerfield. Individual honors went to 1st year goalkeeper, 12th player award winner, James Bruno; leading scorer and all-league selection, Dave "DT" Taylor; and team MVP, all league and prep-all state selection, David Luczek.

# GIRL'S SOCCER

Some students feel their SAT scores do not fairly represent their ability to do well. Similarly, the Girl's Soccer team's win-loss record does not do the team justice. The 1985 season was a success in that the team improved and became a more thoughtful, cohesive, and aggressive unit as the season progressed, despite a few potentially demoralizing losses. Sandi Fielding, the team's Most Valuable Player, set a fine example of how to go on through hard work, sportsmanship, and her impressive skills were invaluable to the team. Captains Carla Pettee and Monica Christo were fine teachers, example setters, and leaders of the team.

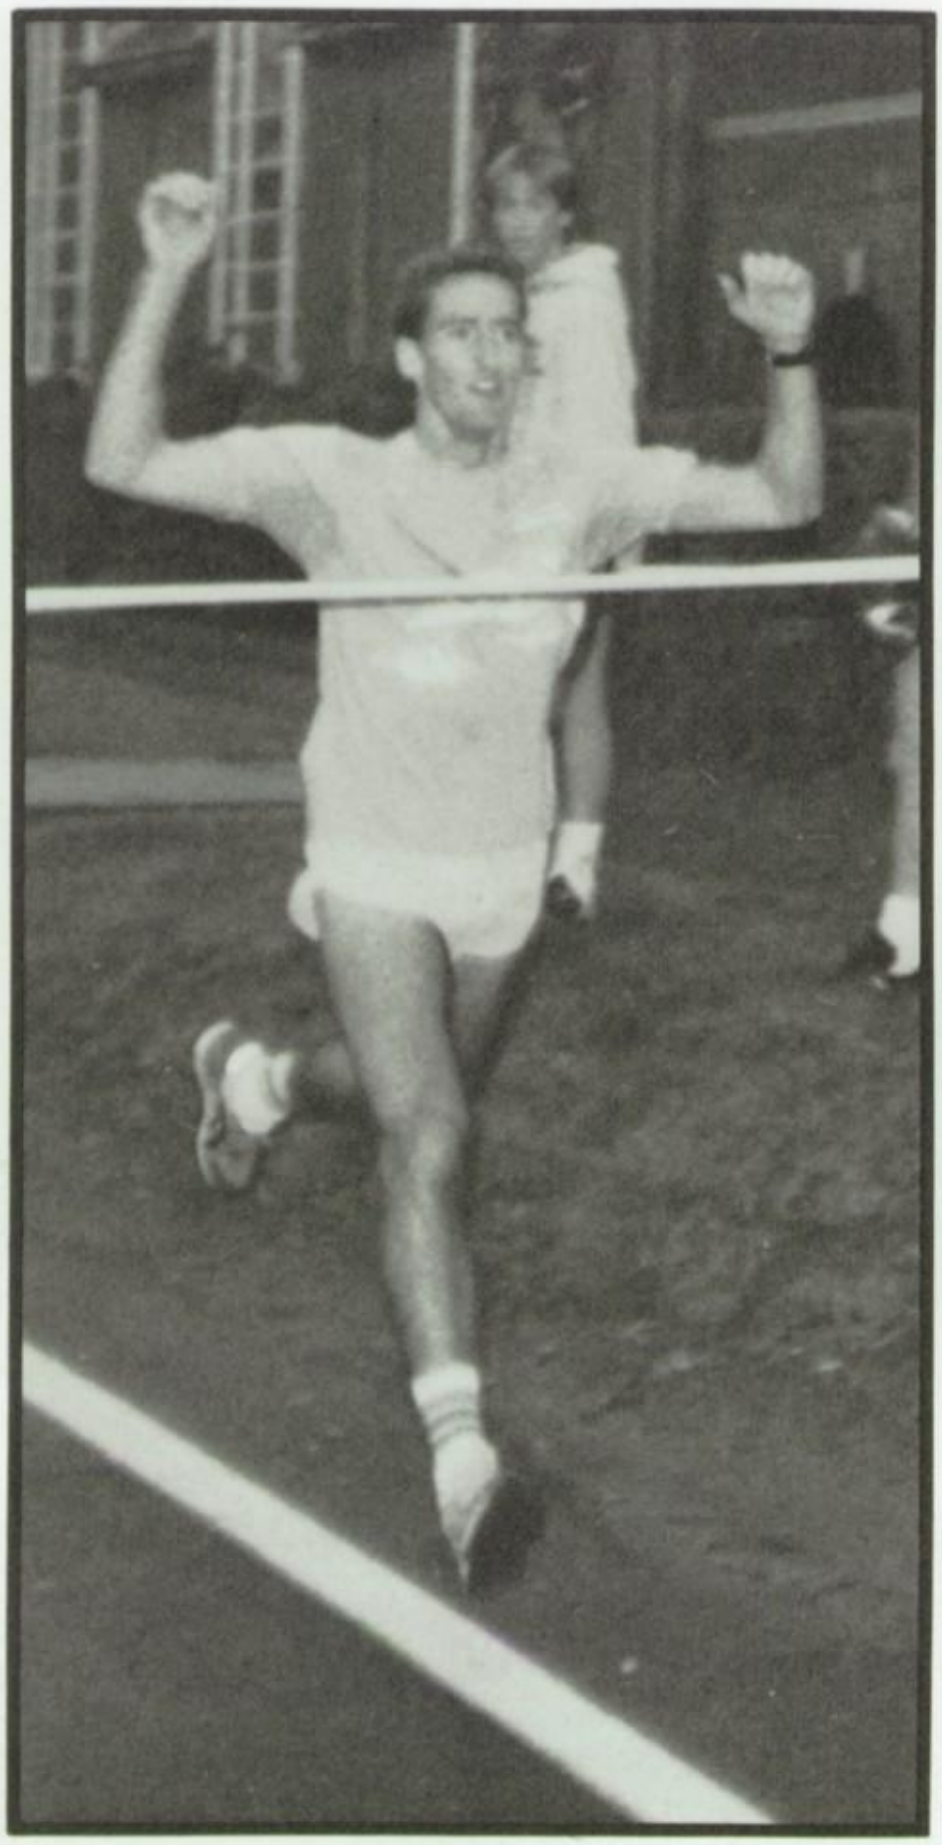
# X-COUNTRY



Head Coach-Jeff Siekierski

This year the Cross Country team had magnanimous motivation and spirit. Under the helpful direction of coaches Siekierski and Redman, the team was lifted to a relatively good season of nine wins and six losses. Much of the success of the team resulted from the perceptive leadership and unparalleled skill of captains Mark Firstman and Brian Thorn. But the underlying strength of the team was to be found in the depth of the runners, wherein the team as a whole consistently performed well to occasionally bring the sweet taste of victory home for the Indians. The departing seniors who really contributed to the team were: Mr. Diaz, who managed to pull himself out of dispairing lassitudinal running to help the team, Steve Dwyer and Rob Jones, whose spirits pulled the team along, and Jeff Pettee, Gerry Begley, and Michael Pare.

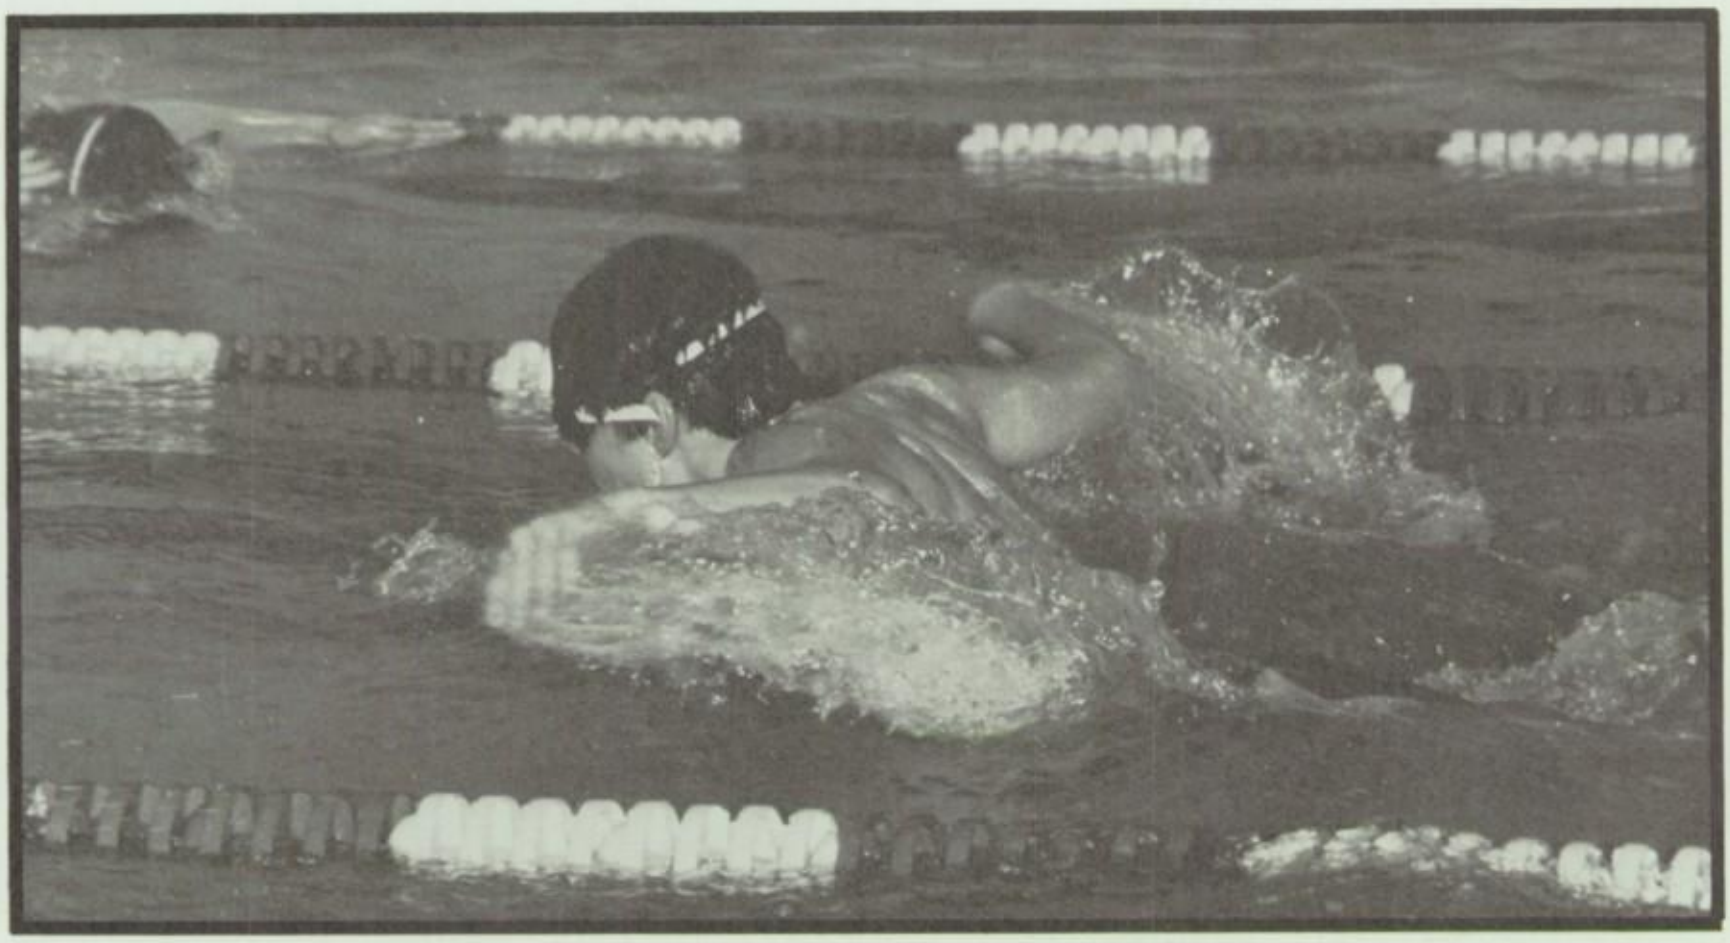
The Fall of 1985 marked the beginning of an exciting new sport at the Academy - Water Polo. The interest and enthusiasm created this year formed a solid base for next year. 8 of the 15 players are returning and this should prove a good nucleus for the coming season. The team won only one of the five matches, but scored an average of 12 goals per game against schools that have had teams for as many as 5 years. Special credit goes to the Captain, Tim Jessup for his leadership and also to Matt Murphy for his outstanding performance as goalie in our 16-8 win over Cheshire.

# SWIMMING



The Varsity Swimming and Diving team had an outstanding season as they concluded the year with an 8 and 4 record.

Lead by Co-Captains Tim Jessup and Peter Douglas, the team maintained a high level of teamwork throughout the season.

Highpoints of the season were a rematch victory over Taconic High School, two straight victories over Cushing Academy, and a record setting performance by Heidi Wolcott against Taconic - 177 pts. Outstanding contributions were also given by Tim Jessup (Freestyle), Pete Douglas (Butterfly), Forest Wallace (Freestyle), Bruce Baker (Breastroke), and Paul Horan (Diving).

# GIRLS VOLLEYBALL

The girls Varsity Volleyball team's record of 0-7 by no means exemplifies the fine effort, team spirit, sportsmanship, and improvement of skills demonstrated by the girls throughout the season. Winning 5 individual games during the best 3 out of 5 matches in a highly competitive league, the girls earned much respect. Led by captains Bonnie Bentley and Laurie Froelich, the girls, including Tanita Adireksarn, Maura Bullock, Miko Kataoka, Lina Ngamtrakulpanit, Heather Scangas, and Sissy Sincerbeaux can certainly be proud of their performance during the Fall, 1985 season.

# HOCKEY

Head Coach, William McCullough

This year's J. V. Hockey Team finished with a strong record of 8 wins and 4 losses. The success of the season was due to the extra effort that the players gave of themselves during practice time. Their positive attitudes and constant hustle paid off during the games. The team played hockey the way it's supposed to be played: with brains, courage, and heart.

We have sincerely enjoyed working with these young men. They're a good bunch of guys and a lot of fun to be around. All in all, it was a very rewarding season for both players and coaches.

# BOYS BASKETBALL

The Boys' Varsity Basketball team enjoyed a very successful season this year, posting an outstanding 17-1 record.

As predicted by Coach Peck and assistant coach Drew Kaptain, the team came together very nicely and the results show it.

Led by captains Dan Clifford and Mike Berte, the Coachmen conquered league rivals such as Suffield, Cushing, N.M.H., and Williston. This year's postgraduates who contributed highly include Sean Nelen, Richard Jones, David Taylor, and Jim Bruno, all of whom posted sensational seasons.

# WRESTLING

The Varsity Wrestling team had a 4-8 record this winter. The highlight of the season was a 43-13 victory over Andover. The team was led by Co-Captains Andy Bazarian and Eric Rubin. Eric completed an undefeated season with a 13-0 record. He also took 1st place and a gold medal at 145 lbs. at the Class A Tournament at Deerfield. Other Class A winners were senior Mike Lane, 2nd place at 167 lbs., senior Henry Diaz, 3rd place at 115 lbs., and junior Tim Campbell, 4th place at 152 lbs. Junior Paul Magyar posted an outstanding season with a 11-2 record. Co-Captain Andy Bazarian had a 2nd seed in the Class A tournament but was unable to compete because of an injury.

Seniors Jim Koske, Mark Schwendenmann, and Sa Hong provided quiet, steady leadership for our underclassmen.

Other Varsity letter winners were juniors Ali Abdulkhani, Graeme Bazarian, Jim Pollard, Mike Rutstein, sophomore Peter Parke and freshman Ray Stone.

Although the scoring talent of Darlene Jordan will be missed, next year's team will be led by returning seniors Lynn Kozub, Laurie Froehlich, and Maria Frigo, along with juniors Sue Wixted and Amy Schwendenmann.

A season highlight was beating the MacDuffie School twice, the last a 54-43 victory. Congratulations to all for a job well done.

# RIFLERY

**The Varsity Riflery team had its most successful season in 15 years due in large part to a superb team effort. The team ended its winning season as co-league champions with an 8-2 record. Highlights of the season included our trip to West Point and our impressive 927-900 win over Loomis-Chaffee, a team that had not been beaten in three years. Coach Mott and Coach Purcell thank each and every member of the Riflery team for a most successful and rewarding season.**

# TRENDS

Webster's defines TRENDS as: "a current style or preference." As you can plainly see, there are many trends prevailent these days.

Among the new fashion trends is a strong comeback of an old favorite, the paisley print. Also, a line of clothing similar to that of the new hit T.V. series, MIAMI VICE has taken to the younger generation American.

As far as worldwide events go, events that help others took to us more than anything else. Concerts such as "LIVE AID" help support the famine relief in Ethiopia. Also the "Sun City" albu made a political statement, that being to end apartheid in South Africa.

Social trend locally included the prevalent use of skateboards on campus.

But the most significant trend by far would have to be that of the male population who use dip. Whether you like it or not is your own preference, but it is estimated that ½ of the males in this school use chew.

Dippity Doo, Mousse, Dep, are all products used to help the unmanagable hair become managable and if you just look around, there are a lot of people with unmanagable hair.

John,

Well, another year has ended!
I really did not want to see it end.
As for Basketball - I can beat your
butt any day. Well Laura even take
a hint! We still have a game of
tennis to play. Enjoy your summer
and next year you will be a
Senior. LD - all the way!

Love,
Amy
